

Biossays™ 240 Plus

Excellent Choice For Your Clinical Biochemistry Test

Compact Design-Meet Your Need of Space & Cost-Saving

- 16 wavelengths range from 340 nm-800 nm
- Close system and open system is optional
- Low water consumption ($\leq 2.0-3.0$ L/H)
- Random access, continuous loading
- 100 μ L minimum reaction volume
- Unlimited STAT position
- ISE module (optional)
